### WARRANTY

Your PHOSPHOR brand watch is warranted by ART TECHNOLOGY for a period of 1 year from the date of purchase under the terms and conditions of this warranty. This warranty covers material and manufacturing defects. During the warranty period the E-INK display and digital movement, and watch movement and hands are the only components covered under this warranty. These will be replaced or the watch will be repaired (at the sole discretion of ART TECHNOLOGY) without charge. This warranty does not cover damage to the watch caused by accident, misuse, or workmanship under normal use. A \$ 10.00 return shipping and handling fee applies to all warranty (excluding California and non-warranty services).

The warranty does not cover:

- Battery, crystal, strap or bracelet
- Water damage unless marked water-resistant
- Wear and tear
- Loss of case, accidents or normal wear and tear
- Water damage unless marked water-resistant
- Damage caused by accident, negligence, unauthorized service, or other factors not due to defects in materials or workmanship.

If the problem is not covered by warranty or if your warranty has expired, the service and repair charges are as follows:  
 - \$ 5.00 Battery replacement; this includes return shipping and handling fee  
 - \$ 25.00 Total charges for repair of all components not covered under warranty; this includes the return shipping and handling fee.

Visit [www.phosphorwatches.com](http://www.phosphorwatches.com) for the shipping address and contact info for warranty repairs or other support issues.
